**Life Network Foundation Announces the new Central Distribution Hub for Mothers and Babies in Need.**

Life Network Foundation is excited to announce the opening of a new Central Distribution Hub for mothers and babies in need. The Hub will be a place where mothers can come to get help with supplies such as baby food, nappies, baby clothes, and other necessities that they may not be able to afford or have access to. The Hub will also be a place that welcomes, sorts and distributes donations from the community. In 2022, LifeLine Malta provided a record number of help and supply services. It received 305 calls and messages through its helpline, provided 1105 hours of post-natal support to mothers, supported 85 families with food and supplies throughout the year, provided 1205 hours of counselling, and most importantly, 26 babies born from unplanned pregnancies were able to have a safe and healthy home to go to.

"The opening of this new Distribution Hub is another step in our mission to support mothers and families in need," said Christie Zammit, Administrative Officer of Dar Tgħanniqa ta' Omm. "We are determined to help as many mothers and babies as we can. There are many mothers and young families in need, and we believe this new Central Distribution Centre will be a great help."

Details of how to access the Distribution Hub in Santa Venera, and how to support it will be published on [www.lifelinemalta.eu](http://www.lifelinemalta.eu) in the coming weeks.

LifeLine Malta is a project of Life Network Foundation that provides support and resources to mothers and families in need. Life Network advocates for the right to life of unborn babies and works to ensure that every child has a safe and healthy start in life.
